

RB.025.C Pediatric Shift Care when Multiple Members in a Household are Receiving Care

Original Implementation Date: 2/15/2022
Version [C] Date: 3/15/2023
Last Reviewed Date: January 2023

PRODUCT VARIATIONS

- This policy applies to the Medicaid product line for members under age 21.
- Medicaid members aged 21 and older do not have a shift care benefit.
- Application of Claim Payment Policy is determined by benefits and contracts. Benefits may vary based on product line, group, or contract. Payment may vary based on individual contract.

POLICY STATEMENT

The intent of this Health Partners Plans (HPP) policy is to communicate to professional providers the reporting requirements, reimbursement rules, and billing practices for pediatric shift care when multiple members in a household are receiving care.

When Personal Care Services (T1019) or Skilled Nursing (T1002/T1003) are provided to two or members in the same household, HPP will reimburse 75% for member A and 75% for member B or a combined payment of 150% over the two separate claims.

Providers will be required to submit the correct modifier (TT) on all claims to reflect the number of members receiving care on any given date of service.

POLICY GUIDELINES

Modifier Code	Reimbursement Rate
TT Modifier Individualized service provided to more than one patient in same setting.	75% reimbursement of contracted rate on each claim.

CODING

Note: The Current Procedural Terminology (CPT®), Healthcare Common Procedure Coding System (HCPCS), and the 10th revision of the International Statistical Classification of Diseases and Related Health Problems (ICD-10) codes that may be listed in this policy are for reference purposes only. Listing of a code in this policy does not imply that the service is covered and is not a guarantee of payment. Other policies and coverage guidelines may apply. When reporting services, providers/facilities should code to the highest level of specificity using the code that was in effect on the date the service was rendered. This list may not be all inclusive. (CPT® is a registered trademark of the American Medical Association.)

T1002	RN services, up to 15 minutes
T1003	LPN/LVN services, up to 15 minutes
T1019	Personal care services, per 15 minutes, not for an inpatient or resident of a hospital, nursing facility, ICF/MR or IMD, part of the individualized plan of treatment (code may not be used to identify services provided by home health aide or certified nurse assistant)

Modifier
TT Modifier - Individualized service provided to more than one patient in same setting.

BENEFIT APPLICATION

This Reimbursement Policy does not constitute a description of benefits. Rather, this assists in the administration of the member’s benefits which may vary by line of business. Applicable benefit documents govern which services/items are eligible for coverage, subject to benefit limits, or excluded completely from coverage.

DISCLAIMER

Approval or denial of payment does not constitute medical advice and is neither intended to guide nor influence medical decision making.

Policy Bulletins are developed by Health Partners Plans (HPP) to assist in administering plan benefits and constitute neither offers of coverage nor medical advice.

This Policy Bulletin may be updated and therefore is subject to change.
